Corona Measures

According to the information on coronavirus (Covid-19) from the Berlin Senate, **valid from 11/15/2021.**

According to §27 Abs. 1,2,3 and §31 Abs. 1,2,3,4

Hygiene concept

- **Mask obligation:** medical face mask
- Mask obligation in closed rooms, except after assignment of a fixed place and under observance of the minimum distance
- Obligation to wear a mask only during sports practice
- **Attendance documentation** at the entrance by the teacher
- **upper limit of persons 20**
- **Mandatory testing** for persons 15 years and older
- **Appointment booking obligation**
 - Members are already registered through their membership
 - Urban Sports, Get your Sports and Expat-Project-International customers must book an appointment
- **Hand disinfection** when entering and leaving the educational institution (Kung Fu School).
- **Airing the rooms** before and after each training session
- **Cleaning of the rooms and the training material** after each training session
- Nightly disinfection of the rooms by UV-C lamps
- The kitchen is not a meeting room

Duty to test

- **Tests** must be up to date **for all persons 15 years and older**
 1. Digital proof of a test station (Point of Care, PoC)
 2. Self-test:
 - Every participant with self-test has to bring an original packed test and test himself before the educational institution.
 - A digital record of the completion with date and time will be made in front of the educational institution.
 - The proof must include:
 - 1) Test result (have test ready)
 - 2) Name of test and manufacturer (have packaging ready)
 - 3) Name of person tested (have ID ready)
 - 4) Name of the person responsible for the test at the educational institution

Conditions of participation

- The **2G rule** applies
 - Admission only for **vaccinated** and **recovered** and **for health reasons unvaccinated with proof**
- Persons **under 18** years have **access without vaccination**
- **Meeting point** in front of the educational institution (Kung Fu School)
- Sports practice is only allowed if **all persons present 15 years and older are tested negative**
- Compliance with the hygiene concept
- **Negative test for all persons 15 years and older** (see section duty to test)
- No test obligation for outdoor offers (outdoor training will be announced via Telegram info channel)
- For teachers: negative test result 2 times per week on non-consecutive days
- Falling below the minimum distance is allowed for sports practice
- **Access only for teachers and students of the educational institution**
